## PREFACE

THIS *Calendar of the British Saints and Martyrs for every Day of the Year* has been compiled from the following sources: Two old British martyrologies; Stanton's *Menology of England and Wales*; Gillow's *Biographical Dictionary of English Catholics*; Law's *Calendar of English Martyrs*; an old *Catalogue of the Late English Martyrs*, lately published by Gillow; and Doctor Challoner's celebrated *Memoirs*. If this little book possesses any value, it must be attributed to Canon Gildea's invaluable assistance and kind suggestions, generously offered and gratefully accepted by the writer when compiling the *Calendar*.

In giving the names and dates of the pre-Reformation saints and martyrs the same order has been observed as in the old martyrologies.

WILLIAM FLEMING.
